Open access - reading. Open for copying and quotation for bibliographic material in Series 11 Folder 18. All papers not for Inter-Library Loan  
Annotation: Jane Carter Goodale, Professor of Anthropology at Bryn Mawr College, Pennsylvania from 1961-2008, conducted cultural anthropological studies among the Tiwi people of North Australia, and the Kaulong people of West New Britain Province, Papua New

Guinea from 1954 to 2002. These papers document Goodale's fieldwork among the Tiwi people of Melville and Bathurst Islands of northern Australia that commenced when she joined the 1954 Melville Island Expedition and; Goodale's return visits to Melville and Bathurst Islands in 1962, 1980-81, 1986-87, 1996-97, 1999 and 2002. Well

represented in the papers are primary ethnographic data collected in field notebooks, typescript transcriptions of these notes, diaries, and genealogies. A significant part of the collection are Goodale's published and unpublished manuscripts, articles and addresses based on data generated from her fieldwork on the Tiwi people, and correspondence received or sent while in Australia.
