Dear Ms McComb ,

Re: Classroom Studies in Aboriginal Music and Dance

I enclose a copy of a letter received from the Department of Education in Queensland. In my letter of reply to Mr. Brennan I have promised him more information regarding publication as soon as it comes to hand.

There appears to be considerable interest in this project. Through other channels I have heard that the Department of Education in New South Wales is also awaiting news of the availability of these teaching materials.

Recently , I have had confirmation that Classroom Studies is to be programmed at the 1982 Conference of the International Society of Music Education (ISME) to be held at Bristol, England. I shall be presenting the materials in a workshop demonstration at this conference on 26 July, 1982.

A word from you soon as to the progress of the project would indeed be appreciated.

Yours sincerely,

*Alice Moyle*
