

No. 116.—GRANITE RANGE, AT THE HEAD OF
THE WALSH RIVER.

By R. R. DAVIDSON, Esq.

THIS vocabulary differs but little from No. 113. The equivalents of *Blackfellow* show that the two vocabularies belong to separate tribes. The equivalent of *canoe* is much the same as in the Endeavour River language.

No. 116.—GRANITE RANGE, HEAD OF WALSH RIVER.
