

OUR ROVING CAMERAMAN

THE aboriginal people in this State are scattered over a wide area, so far apart that many of them may never meet, but the magic camera can bring to us intimate glimpses of these people and enable us to become better acquainted with each other.

If you have photos at home, similar to those you see published in *Dawn*, send them along and thus add to, and maintain, the interest in your fellow men and women.

Here we have Jack Buchanan, of Nambucca, and his family

Pauline Christy, of Karuah, has a romp over the sandhills
