Mrs. Mary Gwendoline Parsons

Mrs. Mary Gwendoline Parsons of Wallaga Lake passed away on 17th May, aged 72 years.

She had been in ill health for some little time and just before her death was in the Batemans Bay District Hospital. She returned to Wallaga Lake the day before she died.

Mrs. Parsons was a very gentle lady and was dearly loved by her family and highly respected by all that knew her.

Four of her seven sons possess Exemption Certificates and her daughter, Mrs. R. Morgan, lives at Cobargo, so that it can be seen she passed on her good characteristics to her family.

The world is poorer for her passing and our deepest sympathies go to her husband, Robert Parsons, and her family.

Mrs. Katherine Mary Andy

On 24th May, Mrs. Katherine Mary Andy, of Wallaga Lake, passed away in the Bega District Hospital. She was 88 years of age.

Granny Andy as she was affectionately known, was a wonderful person. Right up to the time of her death her mind was keen and agile and she possessed a brand of humour all her own.

She was the Treatment Room assistant for many years and conducted her first confinement, unaided, at the age of fifteen years and her last when she was over eighty. In fact there are not many people on the Station at present who were not brought into the world by her.

Many floral tributes and expressions of sympathy were received from the farmers in and around the district for all of whom she worked at some time or another.

All who knew her mourn her passing and our deepest sympathy goes to her husband and family.

The family would like, through *Dawn*, to thank all of those people that sent flowers and expressions of sympathy.
